Dear Parents and Guardians,

As you know by now, the State of Connecticut recently released its plan for reopening schools in the fall. That plan, *Adapt, Advance, Achieve: Connecticut's Plan to Learn and Grow Together*, is available for you to review by going to our website whschools.org and clicking on the link.

I want to assure you that our staff is working extremely hard to comply with the regulations and guidelines in the state's plan. As West Haven prepares, we believe it's important to seek your input. Therefore, we are asking that you go to our website and click on a link to complete a short survey. This will assist us in refining the plan and ensure we address the needs of our community.

The survey will be available until next Wednesday, July 15th and will close at 3:00 that afternoon. Finally, we are requesting that each household submit only one response.

Thank you for your assistance with this matter. Stay safe and enjoy the summer!

Very truly yours,

Neil C. Cavallaro
